Good afternoon Marie,

Requesting approval to reimburse myself \$677.95 for the Zelle payment I made to Prestige Awards this afternoon. Invoice and proof of payment attached.

I'm going to take another stab at getting Zelle wired up on the Booster Club account so we can avoid this in the future.

Thanks. I got Zelle set up with our Blue Foundry account, however there's some arbitrary \$500 per day limit for sending. I'm going to hold off reimbursing myself because I'd like to see if we can get this limit raised by customer support next week so that I can pay vendors directly from our account, and I'll be the guinea pig with my reimbursement transaction assuming they can raise the limit to something more reasonable.
