Hey James,

Here's the quote from Frazier. \$3700 was the best they could do with the trade in.

Good morning Marie,

Attached is the quote for the Booster Club's donation to the athletic department this year. I've paid for this on my own credit card and am requesting permission to reimburse myself via Zelle. I will include a redacted credit card statement along with quote unless the receipt provided to Mr. Fraizer includes proof of payment in my name.
